SUMMARY OF POLICIES

Thank you for choosing Access Health Dental as your dental care provider. It is very important for us to establish a relationship with you that provides the very best care in the best environment possible. To ensure a mutual understanding, please read a brief description of the policies in place in our office. A detailed version of each policy is available to you upon request.

FINANCIAL POLICY

In order to make arrangements for your dental care, we offer several options. We accept cash, checks, Visa, MasterCard, American Express and Discover, as well as third-party financing options. For unaccompanied minors, we ask that financial arrangements be made prior to the day of their appointment.

As a courtesy to our patients with dental insurance, we will be happy to file insurance claims on your behalf to help you maximize your benefits. By having our practice process your insurance forms, it is important that you understand that this does not eliminate your financial obligation for your treatment. We will estimate your insurance coverage and estimate your portion for treatment, which is due on the date of service. As this is an estimate only, you may have an additional balance due or we may issue you a credit or a refund after we have received payment from your insurance carrier. It is important to note that the balance on your account is your responsibility, regardless of your insurance carrier's coverage.

BROKEN APPOINTMENT POLICY

Please help us serve you and all our patients best by keeping your scheduled appointment. If it is necessary to reschedule an appointment, we ask that you give us at least 48 hours' notice in order to avoid a fee.
